16 December 2025

Dear Parent/Carer

In November 2025, HM Inspectors of Education visited Doxa Theo Christian School. During our visit, we talked to parents and children and worked closely with the Board of Directors and staff. We gathered evidence to evaluate the quality of leadership and management, learning and teaching and children's successes and achievements.

Inspectors found the following strengths in the school's work.

- The vision, leadership and dedication of the Board of Directors, teachers and parents in establishing a well organised and successful new school. The school is well placed to continue to grow in line with its strong Christian values.

- The staff team, who work very well together to provide a supportive and nurturing environment for learning. Children have settled quickly into the school routines.

- Children who are polite, kind and motivated to learn. Older children are especially caring to younger ones. Children thrive in the family environment where high standards of behaviour are expected and where everyone feels valued.

The following areas for improvement were identified and discussed with the staff and Board of Directors.

- As the school continues to develop and grow, staff should take forward the existing plans to develop the curriculum further.

- Staff should continue to find ways to involve children in leading their own learning and in helping to shape their school experiences.

We gathered evidence to enable us to evaluate the school's work using four quality indicators from How good is our school (4th edition). Quality indicators help schools, local authorities and inspectors to judge what is working well and what needs to be improved. Following the inspection of each school, the Scottish Government gathers details of our evaluations to keep track of how well Scottish schools are doing.

Here are HMIE's evaluations for Doxa Theo Christian School

Quality indicators	Evaluation
Leadership and management of staff	**very good**
Learning, teaching and assessment	**good**
Curriculum	**good**
Ensuring wellbeing, equality and inclusion	**good**
Descriptions of the evaluations are available from: How good is our school (4th edition) Appendix 3: The six-point scale	

What happens next?

As a result of the overall quality of education provided by the school, we will make no further visits in connection with this inspection. The Board of Directors will inform parents about the school's progress as part of their arrangements for reporting to parents on the quality of the school. HMIE will copy this report to the Registrar of Independent Schools for information.

Lesley A. McEwing
HM Inspector

On behalf of His Majesty's Chief Inspector of Education in Scotland
