Dear Parent/Carer

Lybster Primary School and Nursery Class

In April 2024, Education Scotland published a letter on your child's school. The letter set out a number of areas for improvement, which we agreed with the school and The Highland Council. We published a further letter in June 2025 where we asked The Highland Council for a report on progress.

As requested, The Highland Council has now provided us with a report on the school's progress since June 2025.

School reinspection reports – Highland Council

HM inspectors review of the progress report indicates there has been insufficient progress within the school since the last inspection. We will return to inspect the school within six weeks of the publication of this letter and provide a report for parents on our findings.
