Dear Parent/Carer

Doon Academy

In March 2024, Education Scotland published a letter on your child's school. The letter set out a number of areas for improvement, which we agreed with the school and East Ayrshire Council. We published a further letter in August 2025.

As requested, East Ayrshire Council has now provided us with a report on the school's progress since August 2025. [Doon Academy progress report](#).

After reviewing the evidence, we are now confident Doon Academy has the capacity to continue to improve and we will publish no further reports in relation to the 2024 Education Scotland inspection report. Officers from East Ayrshire Council will continue to work with the school to ensure progress continues.
