

Education Oversight Fees 2026

The following table shows the fee amount for all private providers regardless of whether they are being inspected as part of SAAS designation or as part of UKVI requirements.

The one- off application fee of £2000 is required for a first inspection for student sponsorship / SAAS designation status and should be paid at application or within a two-week period following application. The remaining inspection fee of £9500 will be required two weeks before the inspection date.

If a follow up inspection is required there will be a charge of £2500.

Currently, the charge for an AEV/E/O UKVI statement of assurance which can be requested

Stage 1	Application fee standard and non- refundable	£2,000	Payable on application and in advance by BACS or cheque
Stage 2	*Inspection – minimum Non-refundable	£9,500	Payable by BACS within 14 days of confirmation of acceptance and date of inspection
Stage 3	On-going monitoring	TBC	Will vary according to the level of ongoing oversight required

by the provider is £2000.

Please note fees for a periodic ongoing inspection, would be significantly less unless a full re-inspection is required due to any future issues or concerns.

A full inspection is required every four years to maintain UKVI/SAAS designation status at a current cost of £2000 for application and £9500 for the inspection fee.
