

15 September 2026

Dear Parent/Carer

In June 2026, a team of HM Inspectors of Education visited Eastbank Primary School. During our visit, we talked to parents/carers and children and worked closely with the headteacher and staff.

The inspection team found the following strengths in the school's work.

- Children demonstrate a strong sense of belonging and pride in their school. They are polite, well-mannered and supportive of each other. They contribute very positively to the life and work of the school and local community.
- Senior leaders lead well a highly motivated staff team. They have a relentless focus on improving outcomes for children. This is helping children to learn in an inclusive environment where they are happy and demonstrate the school values well.
- Senior leaders and staff work very effectively with each other. They have developed and sustained positive partnerships with parents and local community organisations to offer children a wide range of opportunities to learn and achieve.
- Senior leaders and staff know their children and families well and demonstrate a strong focus on ensuring equity. They use data and resources very effectively to help reduce barriers to learning and support children to progress well in their learning.

The following areas for improvement were identified and discussed with the headteacher and a representative from Glasgow City Council.

- Across the school, teachers should continue to develop consistently high- quality learning and teaching approaches. They should ensure that all children experience learning planned at the right level of difficulty.

We gathered evidence to enable us to evaluate the school's work using two quality indicators from [How good is our school \(4th edition\)](#). Quality indicators help schools, local authorities and inspectors to judge what is working well and what needs to be improved. Following the inspection of each school, the Scottish Government gathers details of our evaluations to keep track of how well Scottish schools are doing.

Here are HMIE's evaluations for Eastbank Primary School

Quality indicators	Evaluation
Learning, teaching and assessment	good
Raising attainment and achievement	very good
Descriptions of the evaluations are available from: How good is our school (4th edition) Appendix 3: The six-point scale	

A more detailed document called Summarised Inspection Findings (SIF) will be available on the HMIE website at:

[Eastbank Primary School | Inspection Report | His Majesty's Inspectorate of Education in Scotland](#)

What happens next?

We are confident that the school has the capacity to continue to improve and so we will make no more visits in connection with this inspection. Glasgow City Council will inform parents/carers about the school's progress as part of its arrangements for reporting on the quality of its schools.

James Hammond
HM Inspector

On behalf of His Majesty's Chief Inspector of Education in Scotland
