Dear Parent/Carer

Invergordon Academy
The Highland Council

In March 2023, Education Scotland published a letter, following an inspection of Invergordon Academy. The letter set out a number of areas for improvement which we agreed with the school and The Highland Council. We published a further letter in April 2024.

As requested, The Highland Council has now provided us with a report on the school's progress. The progress report is available at Invergordon Academy - Progress report

HM inspectors review of the progress report indicates there has been some progress since the last inspection. We will return to inspect the school within 12 weeks of the publication of this letter and provide a report for parents on our findings.
